

# MIDLAND COMMUNITY CENTER

The Midland Community Center is seeking enthusiastic and creative gymnastics instructors for a part-time position. Instructors must create a high-energy environment in which students can learn, develop self-confidence, and have fun. Safety is our first priority, so proper spotting technique is a must!

Instructors will teach all levels of gymnastics in coordination with established goals and guidelines of gymnastics department. Must be confident, professional, and absolutely love working with children. Schedule is varied; flexibility a must. The Midland Community Center offers program discounts and free membership to employees.

Apply in person at the Midland Community Center Welcome Center. A brief resume including gymnastics background and teaching experience is strongly recommended. The Midland Community Center is located at 2205 Jefferson Avenue, Midland.

For more information contact Alicia McGrew, (989) 832-7937, x2264. Application deadline September 1.

The Midland Community Center is the leading non-profit organization in providing affordable and quality recreational, social, and personal development opportunities for individuals and families. An operating unit of the Greater Midland Community Centers, Inc.
